

June 2010

Dear Families,

A new school year will begin before we know it! We are happy to welcome your child to Kindergarten at Rosemary Hills Primary School. We have planned an exciting and productive year in all areas of the curriculum.

While the school provides many school supplies, we ask each child to contribute some materials. These materials will be pulled together to be used by the entire class and should not be labeled with your child's name. We ask that your child bring in the following supplies:

- 1 inch 3 ring binder
- Crayons (48 box or larger)
- Glue
- Pencils
- Erasers

Feel free to donate any of the following supplies:

- Pack of EXPO dry erase markers
- 1 pack of stickers
- antibacterial wipes for the tables
- tissues for class use
- 1, 8 ounce bottle of antibacterial hand sanitizer
- re-sealable plastic baggies - sandwich size (boys only)
- re-sealable plastic baggies - gallon size (girls only)
- Pack of Crayola markers
- 1 Pair of scissors (Fiskar brand preferred)

Thank you for your cooperation and support as we all work together to achieve your child's highest academic potential.

The Kindergarten Team
