

**Rosemary Hills Primary School
Parent Teacher Association**

***“Paving the Way to a Bright Future”
Engraved Brick Program***

This year, for the first time, Rosemary Hills parents and friends will have the opportunity to purchase engraved bricks that will be prominently displayed on the school grounds.

Bricks are being sold for \$75 each.

Bricks will be 4 x 8 inch red bricks. They can contain up to 2 lines of text; up to 16 characters of text per line (even a space is a character).

Funds collected from the brick drive will be used to purchase new technology for all of our students to use, and for teacher development.

What a great way to:

- * Permanently commemorate your child’s time at Rosemary Hills *
- * Help combat the impact of county-wide budget cuts *
- * Pitch in to get the most up to date technology in our school *

****Our goal is to sell more than 200 bricks and we need your help!****

Help us Pave a Brighter Future for All of our Kids!

To order your brick, please fill out the attached form:
